

MILI

SINGER / SONGWRITER

There's always a secret sparkle in Mili's eyes. It's the sort of soul shine that comes from living out the surreal dream of a lifetime. And that's exactly where she's at right now: all set to launch her debut album, as a singer and songwriter, with some of the world's most renowned, musicians.

As a stylistically diverse artiste, she's made a living from music thus far, while quietly whipping up her own compositions down the years. As time went by, Mili had songs enough for a complete solo album and more. Songs about life and its many stories, songs inspired from lives she's seen and heard, and songs about the different perspectives that music itself gifts her.

Playing Mili's songs are drummer Vinnie Colaiuta, guitarist Michael Landau, bassist James Genus and pianist George Whitty. Among them, these musicians have been accompanists for illustrious artistes such as Sting, Herbie Hancock, Frank Zappa, Joni Mitchell, Chaka Khan to name a few.

To Mili's songs, these musicians have brought their own unique touch of inspiration and experience. "All the songs were recorded live, and that electric energy we shared in the studio was amazing! They were just perfection - adding their bit of genius yet retaining the essence of the song," recounts Mili. For her, the experience has been nothing short of unbelievable, watching musicians making her vision a reality. "Best of all, we shared a vibe... that certain sync between artistes who truly understand each other. They loved the music, and we had a great time in the studio and I am glad that we could capture that vibe in the record" says Mili.

Thus far, she stands on the laurels of her work with renowned musicians such as A.R. Rahman, Amit Trivedi, singing film hits like *Meethi Boliyan*, *Parakka Sevvai* and *Badari Badariyan*, *Yatra* from *Coke Studio@MTV Season 2* besides others. She's also sung for many international brands and campaigns like CocaCola, Seagrams Music, Incredible India & Rajasthan Tourism, Vogue Magazine's Empower Campaign, among many others.

With a hunger to break new ground in music, Mili is a fearless artiste who constantly challenges her vocal expression to create signature songs.
